

JOB VACANCIES

Mechanical and Electrical Engineer

Salary – up to £50k dependent upon experience and qualifications

Permanent Position

South Essex Property Services is currently looking for a Mechanical and Electrical Engineer to work within the Property Services Department of South Essex Homes.

This is a varied role and you will be expected to carry out a varied range of tasks including, management of gas contract and electrical contracts as well as various other M + E improvement and cyclical contracts from feasibility to final account.

Applications are invited from experienced and technically qualified Engineers who have managed works of this nature in the past.

To apply, please download an application form and guidance notes from the above website. You can complete and submit the form online or return the completed pdf by email to HRenquiries@southend.gov.uk or by post as directed on the form.

If you would like an informal discussion regarding the post, please telephone Paul Longman on 01702 212695.

Closing date for applications is Wednesday 2nd May 2018.

South Essex Property Services is an Equal Opportunities employer
